

ENACT Executive Committee Meeting

August 2 2004

Call to Order

Christine: Metro Parks

McKinley Master Plan will be presented at the August General ENACT meeting, and before the Metro Parks Board September Christine would like the approval of ENACT for the master plan prior to the September 13 meeting.

Sophie McGee: Consultant working on Tacoma's consolidated plan. Distributed summary of public participation in the consolidated plan process. Sophie is seeking input from ENACT about the neighborhood's needs.

ENACT discussed:

People who need services

What services are available?

What barriers exist between people and services?

Etc.

August Agenda for the General Meeting:

Presentation of McKinley Park Master Plan/Rogers Dog Park update

Representative from THA giving a Hope VI update.

McKinley Festival:

Mary Ann will investigate cost of balloons; will have them imprinted with ENACT logo and acquire helium tanks for the day so ENACT can distribute balloons to the kids.

ENACT accomplishments will be displayed on a display board at the festival booth.

Old Business: None

New Business: None
